Meister Hefeweizen - 5.3% abv

The brainchild of Head Brewer Shane and longtime home brewing partner Brian Corey. This beer is a traditional German Hefeweizen made with German malts, hops, and yeast. Flavors of banana, clove, and bubble gum.

Choose this delicious wheat beer, you will.

Episode 1 - 6.3% abv

In our first collaboration with Lumen Beer Company, we knew we had to start with a Hazy IPA. We took a little from both of our processes and found a hoppy compromise. We hopped it up with Citra Incognito, Citra Lupomax, HBC 630 Cryo and Mosaic Cryo hops.
5oz... 4.00 13oz... 7.00 Crowler... N/A

A Little 'Stitious - 6.3% abv

I wouldn't say we're superstitious when choosing hop combinations for our Hazy IPAs, but we are a little 'stitious. The combination of Nelson Sauvin, Bru-1, and Mosaic hops were definitely the right choice.
5oz... 3.75 13oz... 7.00 Crowler... 14.00

Viel Glück - 5.4% abv

Similar to our Hefeweizen, this German wheat beer is brewed as a darker version (Dunkel means "dark") with a varietal of toasty malts. This creamy rich, full bodied ale is a blend of fortunes so good we named it "good luck" in German.
5oz... 3.00 16oz... 6.00 Crowler... 12.00

Feisty Walrus - 4.6% abv

This beer is a classic English style brown ale with roasty, toasty flavors of caramel and chocolate. Named after the alter ego of Head Brewer Shane's friend, Daniel.
5oz... 3.00 16oz... 6.00 Crowler... 12.00

The Rational Consumer - 5.1% abv

Our German style Vienna Lager is brewed with German malts, hops and yeast. Dry and toasty with subtle caramel notes, this beer is a rational choice for any consumer.
5oz... 2.75 16oz... 5.50 Crowler... 11.00

Fruity Kettles Strawberry Rhubarb Pie-5.5% abv

We took our kettle soured gose and added a baked pie compound then loaded it up with fresh strawberry and rhubarb purée's. Grab a slice of this pie!

Juice City Sessions - Hodgepodge - 5.5% abv

Next up in our Session Hazy IPA series features a hodgepodge of hops that Shane chose randomly with no regard. Does he remember which hops he used?
All sign point to "no."
5oz... 3.25 16oz... 6.50 Crowler... 13.00

White Flag - 6.3% abv

Sometimes we have brew days where everything seems to go wrong. Shane was ready to wave the white flag while brewing this one, but we're glad he didn't. This West Coast IPA was brewed with Chinook, Simcoe, Columbus hops, and heavy dose of stress.
5oz... 3.00 16oz... 6.00 Crowler... 12.00

Toasted Marshmallow Hot Chocolate - 8% abv

We took our stout base and added toasted marshmallow and chocolate giving it flavors of classic hot chocolate.
